HOUSE EXECUTIVE MESSAGE NO. 10

The Honorable Brian Egolf, Jr., Speaker of the House and
Members of the House of Representatives
State Capitol Building
Santa Fe, NM 87501

Honorable Speaker Egolf and Members of the House:

I have this day SIGNED HOUSE BILL 230, enacted by the Fifty-Third Legislature, First Session, 2017.

During the course of my tenure as Governor, I have supported the adoption of stricter and more consistent sanctions against doping and cheating, improved testing for banned substances, the creation of a Racehorse Testing Fund and critical measures aimed at ensuring our horses' vitality and proper treatment. All of these efforts make horse racing in New Mexico stronger. HB 230 will continue to build on these efforts by providing smaller New Mexican racetracks with more flexibility and improved control over the product that they produce. HB 230 will streamline the business endeavors of our smaller racetracks by ensuring that these racetracks are subjected to a more level playing field.

Respectfully yours,

Susana Martinez
Governor
