HOUSE BILL 95

**53RD LEGISLATURE - STATE OF NEW MEXICO - FIRST SESSION, 2017**

INTRODUCED BY

David M. Gallegos

AN ACT

RELATING TO CHILD SUPPORT; AMENDING A SECTION OF CHAPTER 40,  
ARTICLE 4 NMSA 1978 TO ALLOW A JUDGE TO USE DISCRETION IN  
DETERMINING CHILD SUPPORT OBLIGATION WHERE ADJUSTED GROSS  
INCOME EXCEEDS THE UPPERMOST LEVELS OF THE BASIC CHILD SUPPORT  
OBLIGATION SCHEDULE.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF NEW MEXICO:

SECTION 1. Section 40-4-11.1 NMSA 1978 (being Laws 1988,  
Chapter 87, Section 2, as amended) is amended to read:

"40-4-11.1. CHILD SUPPORT--GUIDELINES.--

A. In any action to establish or modify child  
support, the child support guidelines as set forth in this  
section shall be applied to determine the child support due and  
shall be a rebuttable presumption for the amount of such child  
support. Every decree or judgment of child support that

205577.1SA

underscoring material = new  
~~[bracketed material] = delete~~

underscoring material = new  
~~[bracketed material] = delete~~

1 deviates from the guideline amount shall contain a statement of  
2 the reasons for the deviation.

3 B. The purposes of the child support guidelines are  
4 to:

5 (1) establish as state policy an adequate  
6 standard of support for children, subject to the ability of  
7 parents to pay;

8 (2) make awards more equitable by ensuring  
9 more consistent treatment of persons in similar circumstances;  
10 and

11 (3) improve the efficiency of the court  
12 process by promoting settlements and giving courts and the  
13 parties guidance in establishing levels of awards.

14 C. For purposes of the guidelines specified in this  
15 section:

16 (1) "income" means actual gross income of a  
17 parent if employed to full capacity or potential income if  
18 unemployed or underemployed. Income need not be imputed to the  
19 primary custodial parent actively caring for a child of the  
20 parties who is under the age of six or disabled. If income is  
21 imputed, a reasonable child care expense may be imputed. The  
22 gross income of a parent means only the income and earnings of  
23 that parent and not the income of subsequent spouses,  
24 notwithstanding the community nature of both incomes after  
25 remarriage; and

underscoring material = new  
~~[bracketed material] = delete~~

1                   (2) "gross income" includes income from any  
2 source and includes [~~but is not limited to~~] income from  
3 salaries, wages, tips, commissions, bonuses, dividends,  
4 severance pay, pensions, interest, trust income, annuities,  
5 capital gains, social security benefits, workers' compensation  
6 benefits, unemployment insurance benefits, disability insurance  
7 benefits, significant in-kind benefits that reduce personal  
8 living expenses, prizes and alimony or maintenance received,  
9 provided:

10                               (a) "gross income" shall not include  
11 benefits received from means-tested public assistance programs  
12 or child support received by a parent for the support of other  
13 children;

14                               (b) for income from self-employment,  
15 rent, royalties, proprietorship of a business or joint  
16 ownership of a partnership or closely held corporation, "gross  
17 income" means gross receipts minus ordinary and necessary  
18 expenses required to produce such income, but ordinary and  
19 necessary expenses do not include expenses determined by the  
20 court to be inappropriate for purposes of calculating child  
21 support;

22                               (c) "gross income" shall not include the  
23 amount of alimony payments actually paid in compliance with a  
24 court order;

25                               (d) "gross income" shall not include the

underscored material = new  
[bracketed material] = delete

1 amount of child support actually paid by a parent in compliance  
2 with a court order for the support of prior children; and

3 (e) "gross income" shall not include a  
4 reasonable amount for a parent's obligation to support prior  
5 children who are in that parent's custody. A duty to support  
6 subsequent children is not ordinarily a basis for reducing  
7 support owed to children of the parties but may be a defense to  
8 a child support increase for the children of the parties. In  
9 raising such a defense, a party may use [~~Table~~] Worksheet A as  
10 set forth in Subsection [~~K~~] L of this section to calculate the  
11 support for the subsequent children.

12 D. As used in this section:

13 (1) "children of the parties" means the  
14 natural or adopted child or children of the parties to the  
15 action before the court but shall not include the natural or  
16 adopted child or children of only one of the parties;

17 (2) "basic visitation" means a custody  
18 arrangement whereby one parent has physical custody and the  
19 other parent has visitation with the children of the parties  
20 less than thirty-five percent of the time. Such arrangements  
21 can exist where the parties share responsibilities pursuant to  
22 Section 40-4-9.1 NMSA 1978; and

23 (3) "shared responsibility" means a custody  
24 arrangement whereby each parent provides a suitable home for  
25 the children of the parties, when the children of the parties

205577.1SA

underscored material = new  
[bracketed material] = delete

1 spend at least thirty-five percent of the year in each home and  
2 the parents significantly share the duties, responsibilities  
3 and expenses of parenting.

4 E. The basic child support obligation shall be  
5 calculated based on the combined income of both parents and  
6 shall be paid by them proportionately pursuant to Subsection  
7 [K] L of this section.

8 F. Physical custody adjustments shall be made as  
9 follows:

10 (1) for basic visitation situations, the basic  
11 child support obligation shall be calculated using the basic  
12 child support schedule, Worksheet A and instructions contained  
13 in Subsection [K] L of this section. The court may provide for  
14 a partial abatement of child support for visitations of one  
15 month or longer; and

16 (2) for shared responsibility arrangements,  
17 the basic child support obligation shall be calculated using  
18 the basic child support schedule, Worksheet B and instructions  
19 contained in Subsection [K] L of this section.

20 G. In shared responsibility situations, each parent  
21 retains the percentage of the basic support obligation equal to  
22 the number of twenty-four-hour days of responsibility spent by  
23 each child with each respective parent divided by three hundred  
24 sixty-five.

25 H. The cost of providing medical and dental

underscored material = new  
[bracketed material] = delete

1 insurance for the children of the parties and the net  
2 reasonable child-care costs incurred on behalf of these  
3 children due to employment or job search of either parent shall  
4 be paid by each parent in proportion to that parent's income,  
5 in addition to the basic obligation.

6 I. The child support may also include the payment  
7 of the following expenses not covered by the basic child  
8 support obligation:

9 (1) any extraordinary medical, dental and  
10 counseling expenses incurred on behalf of the children of the  
11 parties. Such extraordinary expenses are uninsured expenses in  
12 excess of one hundred dollars (\$100) per child per year;

13 (2) any extraordinary educational expenses for  
14 children of the parties; and

15 (3) transportation and communication expenses  
16 necessary for long distance visitation or time sharing.

17 J. Whenever application of the child support  
18 guidelines set forth in this section requires a person to pay  
19 to another person more than forty percent of the paying  
20 person's gross income for a single child support obligation for  
21 current support, there shall be a presumption of a substantial  
22 hardship, justifying a deviation from the guidelines.

23 K. A judge may use discretion to determine child  
24 support in circumstances where combined adjusted gross income  
25 exceeds the uppermost level of the schedule of basic child

1 support obligations; provided that the presumptive basic child  
 2 support obligation shall not be less than it would be based on  
 3 the highest level of adjusted gross income in the schedule of  
 4 basic child support obligations listed in Subsection L of this  
 5 section.

6 L. BASIC CHILD SUPPORT SCHEDULE.--

BASIC VISITATION

INSTRUCTIONS FOR WORKSHEET A

Line 1. Gross monthly income:

Includes all income, except TANF, [~~food stamps~~] supplemental nutrition assistance program benefits and supplemental security income. If a parent pays child support by court order to other

1 children, subtract from gross income. Use current income if  
2 steady. If income varies a lot from month to month, use an  
3 average of the last twelve months, if available, or last year's  
4 income tax return. Add both parents' gross incomes and put  
5 total under the combined column.

6 Line 2. Percentage of Combined Income:

7 Divide each parent's income by combined income to get that  
8 parent's percentage of combined income.

9 Lines 3 and 4. Basic Support:

10 Fill in number of children on worksheet (Line 3). Round  
11 combined income to nearest fifty dollars (\$50.00). Look at the  
12 basic child support schedule. In the far left-hand column of  
13 the basic child support schedule, find the rounded combined  
14 income figure. Read across to the column with the correct  
15 number of children. Enter that amount on Line 4.

16 Line 5. Children's Health and Dental Insurance Premium:

17 Enter the cost paid by a parent for covering these children  
18 with medical and dental insurance under that parent's column on  
19 Line 5. Add costs paid by each parent and enter under the  
20 combined column on Line 5.

21 Line 6. Work-Related Child Care:

22 Enter the cost paid by each parent for work-related child care.  
23 If the cost varies (for example, between school year and  
24 summer), take the total yearly cost and divide by twelve.  
25 Enter each parent's figure in that parent's column on Line 6.

1 Add the cost for both parents and enter in the combined column  
2 on Line 6.

3 Line 7. Additional Expenses:

4 Enter the amounts paid by each parent for additional expenses  
5 provided by Subsection I of this section on Line 7. Add the  
6 cost for both parents and enter in the combined column on Line  
7 7.

8 Line 8. Total Support:

9 Total the basic support amount from Line 4 in the combined  
10 column with the combined column on Lines 5, 6 and 7 and enter  
11 the totals in the combined column on Line 8.

12 Line 9. Each Parent's Obligation:

13 Multiply the total child support amount on Line 8 by each  
14 parent's percentage share on Line 2, and enter each parent's  
15 dollar share under that parent's column on Line 9.

16 Line 10. Total Support:

17 Enter the total amount shown for each parent on Line 8 beside  
18 the "minus" marks on Line 10.

19 Line 11. Each Parent's Net Obligation:

20 For each parent, subtract the amount on Line 10 from the amount  
21 on Line 9. Enter the difference for each parent in that  
22 parent's column on Line 11. The amount in the box "other  
23 parent" is what that parent pays to the custodial parent each  
24 month. Do not subtract the amount on the custodial parent's  
25 Line 11 from the amount in the other parent's box. The

1 custodial parent is presumed to use the amount in that parent's  
2 column on Line 11 for the children.

SHARED RESPONSIBILITY  
INSTRUCTIONS FOR WORKSHEET B

Part 1 - Basic Support:

Line 1. Gross Monthly Income:

Includes all income, except TANF, [~~food stamps~~] supplemental nutrition assistance program benefits and supplemental security income. See text for allowed deductions from income. Use current income if steady. If income varies a lot from month to month, use an average of the last twelve months, if available, or last year's income tax return. Add both parents' gross incomes and put total under the combined column.

Line 2. Percentage of Combined Income:

Divide each parent's income by combined income to get that parent's percentage of combined income.

Lines 3 and 4. Basic Support:

Fill in the number of children on the worksheet (Line 3). Round combined income to nearest fifty dollars (\$50.00). Look at the basic child support schedule. In the far left-hand column of that schedule, find the rounded combined income figure. Read across to the column with the correct number of children. Enter that amount on Line 4.

Line 5. Shared Responsibility Basic Obligation:

Multiply the basic obligation on Line 4 by 1.5.

Line 6. Each Parent's Share:

1 Multiply the support amount on Line 5 by each parent's  
2 percentage share on Line 2, and enter each parent's dollar  
3 share under that parent's column on Line 6.

4 Line 7. Each Parent's Time of Care for Children:  
5 Enter the number of twenty-four-hour days of responsibility  
6 that each parent has each child in a year according to the  
7 parenting plan.

8 Line 8. Percentage of Twenty-Four-Hour Days With Each  
9 Parent:  
10 Divide each parent's number of twenty-four-hour days (Line 7)  
11 by three hundred sixty-five to obtain a percentage.

12 Line 9. Amount Retained:  
13 Under shared responsibility arrangements, each parent retains  
14 the percentage of the basic support obligation equal to the  
15 number of twenty-four-hour days of responsibility spent by each  
16 child with each respective parent divided by three hundred  
17 sixty-five. Multiply each parent's share of basic support  
18 (Line 6) by the percentage in that parent's Line 8 and enter  
19 the result on that parent's Line 9. This is the amount that  
20 each parent retains to pay the children's expenses during that  
21 parent's periods of responsibility.

22 Line 10. Each Parent's Basic Obligation:  
23 Subtract the amount retained by each parent for direct expenses  
24 (Line 9) from that parent's share (Line 6) and enter the  
25 difference on that parent's Line 10.

underscored material = new  
[bracketed material] = delete

1           Line 11. Amount Transferred for Basic Support:  
2           In shared responsibility situations, both parents are entitled  
3           not only to retain money for direct expenses but also to  
4           receive contributions from the other parent toward those  
5           expenses. Therefore, subtract the smaller amount on Line 10  
6           from the larger amount on Line 10 to arrive at a net amount  
7           transferred for basic support.

8           Part 2 - Additional Payments:

9           Line 12. Children's Health and Dental Insurance Premium:  
10          Enter the cost paid by a parent for covering these children  
11          with medical and dental insurance under that parent's column on  
12          Line 12. Add costs paid by each parent and enter under the  
13          combined column on Line 12.

14          Line 13. Work-Related Child Care:  
15          Enter the cost paid by each parent for work-related child care.  
16          If the cost varies (for example, between school year and  
17          summer), take the total yearly cost and divide by twelve.  
18          Enter each parent's figure in that parent's column on Line 13.  
19          Add the cost for both parents and enter in the combined column  
20          on Line 13.

21          Line 14. Additional Expenses:  
22          Enter the cost paid by each parent for additional expenses  
23          provided by Subsection I of this section on Line 14.

24          Line 15. Total Additional Payments:  
25          For each parent, total the amount paid by that parent for

underscoring material = new  
~~[bracketed material] = delete~~

1 insurance, child care and additional expenses (Lines 12, 13 and  
2 14). Enter the total in that parent's column on Line 15 and  
3 the total of both parents' expenses under the combined column  
4 on Line 15.

5 Line 16. Each Parent's Obligation:  
6 Multiply the total additional payments (combined column on Line  
7 15) by each parent's percentage share of income on Line 2, and  
8 enter each parent's dollar share of the additional payments on  
9 that parent's Line 16.

10 Line 17. Amount Transferred:  
11 Subtract each parent's obligation for additional expenses  
12 (that parent's Line 16) from the total additional payments made  
13 by that parent (that parent's Line 15). The parent with a  
14 "minus" figure pays the other parent the amount on Line 17.

15 Part 3 - Net Amount Transferred:

16 Line 18. Combine Lines 11 and 17:  
17 Combine the amount owed by one parent to the other for basic  
18 support (Line 11) and the amount owed by one parent to the  
19 other for additional payments (Line 17). If the same parent  
20 owes for both obligations, add Lines 11 and 17, and enter the  
21 total on Line 18. If one parent owes for basic support and the  
22 other owes for additional payments, subtract the smaller amount  
23 from the larger and enter on Line 18. Fill in the blanks by  
24 stating which parent pays and which parent receives the net  
25 amount transferred."
