SUMMARY

Synopsis of Bill

Senate Bill 52 allows the Taxation and Revenue Department to issue a standardized special Ronald McDonald house support license plate. The plate will have a logo indicating that the recipient supports Ronald McDonald house charities of New Mexico.

For a fee of \$35, a motor vehicle owner can apply for the special plate. The revenue collected from the registration plate fee shall be distributed as follows:

1. Ten dollars (\$10.00) shall be retained by the Taxation and Revenue Department for the manufacture and issuance of the registration plates
2. Twenty-five dollars (\$25.00) shall be appropriated to the board of regents of the University of New Mexico for expenditure by the Carrie Tingley crippled children’s hospital.

FISCAL IMPLICATIONS

Implementation of this bill will have a moderate impact on the Information Technology Division (ITD). Total time to complete, test and implement changes is 4 weeks.

- Development 3 weeks
 - The new plate type and inventory would need to be set up and added into the registration process, with the new fees and new distributions.
 - The new plate image will need to be added into the system, as well as information on the vehicle types it is allowed on.
- Testing of above changes – 1 week

Implementation of this bill will cost ITD \$11,200.

TECHNICAL ISSUES

According to the Secretary of State's website, the legal name of the domestic nonprofit corporation is "Ronald McDonald House Charities of New Mexico." Because Subsections A and B refer to the organization, all the initial letters in the organization's name should be capitalized.
