SUMMARY

Synopsis of the Senate Rules Committee Substitute for Senate Joint Memorial 7

The Senate Rules Committee Substitute for Senate Joint Memorial 7 requests that the Legislative Council Service coordinate a review of laws to recommended technical changes over time to appropriate interim committees.

FISCAL IMPLICATIONS

There will be minimal to no fiscal impact on the Legislative Council Service because the requests within the memorial are already included the scope of work it performs. Section 2-3-8D NMSA states one of its duties is to "recommend to the legislature measures which will improve the form and working of the statutes of this state and clarify and reconcile their provisions;" however, reporting to interim legislative committees may be an additional burden to Legislative Council Service staff.
