SUMMARY

Synopsis of the Memorial

Senate Joint Memorial 19 resolves the Legislature of the State of New Mexico that the initiative to name a future United States Navy nuclear-powered submarine the *USS Los Alamos* is endorsed and a copy of the memorial be transmitted to the United States Secretary of the Navy.

SIGNIFICANT ISSUES

A citizen-based initiative has requested the United States Secretary of the Navy designate a future nuclear submarine as the USS Los Alamos in recognition of the unique contributions of the residents of Los Alamos and northern New Mexico to this nation since 1943. It is a fitting tribute to all who served during the Manhattan project to the present day. In 2018, the Los Alamos National Laboratory will celebrate its 75th anniversary.
