

1 D. "interagency transfers" means revenue, other than internal service funds, legally
2 transferred from one agency to another;

3 E. "internal service funds" means:

4 (1) revenue transferred to an agency for the financing of goods or services to another
5 agency on a cost-reimbursement basis; and

6 (2) balances in agency internal service fund accounts appropriated by the Supplemental
7 General Appropriation Act of 2017;

8 F. "other state funds" means:

9 (1) nonreverting balances in agency accounts, other than in internal service funds
10 accounts, appropriated by the Supplemental General Appropriation Act of 2017;

11 (2) all revenue available to agencies from sources other than the general fund,
12 internal service funds, interagency transfers and federal funds; and

13 (3) all revenue, the use of which is restricted by statute or agreement;

14 G. "outcome" means the measure of the actual impact or public benefit of a program;

15 H. "output" means the measure of the volume of work completed or the level of actual
16 services or products delivered by a program;

17 I. "performance measure" means a quantitative or qualitative indicator used to assess a
18 program;

19 J. "revenue" means all money received by an agency from sources external to that agency, net
20 of refunds and other correcting transactions, other than from issue of debt, liquidation of investments
21 or as agent or trustee for other governmental entities or private persons; and

22 K. "target" means the expected level of performance of a program's performance measures.

23 Section 3. **GENERAL PROVISIONS.--**

24 A. Amounts set out under column headings are expressed in thousands of dollars.

25 B. Amounts set out under column headings are appropriated from the source indicated by the

1 column heading. All amounts set out under the column heading "Internal Service Funds/Interagency
2 Transfers" are intergovernmental transfers and do not represent a portion of total state government
3 appropriations. All information designated as "Total" or "Subtotal" is provided for information and
4 amounts are not appropriations.

5 C. Amounts set out in Section 4 of the Supplemental General Appropriation Act of 2017, or so
6 much as may be necessary, are appropriated from the indicated source for expenditure in fiscal year 2018
7 for the objects expressed.

8 D. Unexpended balances in agency accounts remaining at the end of fiscal year 2017 shall
9 revert to the general fund by October 1, 2017 unless otherwise indicated in the Supplemental General
10 Appropriation Act of 2017 or otherwise provided by law.

11 E. Unexpended balances in agency accounts remaining at the end of fiscal year 2018 shall
12 revert to the general fund by October 1, 2018 unless otherwise indicated in the Supplemental General
13 Appropriation Act of 2017 or otherwise provided by law.

14 F. The state budget division shall monitor revenue received by agencies from sources other
15 than the general fund and shall reduce the operating budget of any agency whose revenue from such sources
16 is not meeting projections. The state budget division shall notify the legislative finance committee of
17 any operating budget reduced pursuant to this subsection.

18 G. Except as otherwise specifically stated in the Supplemental General Appropriation Act of
19 2017, appropriations are made in this act for the expenditures of agencies and for other purposes as
20 required by existing law for fiscal year 2018. If any other act of the first special session of the
21 fifty-third legislature changes existing law with regard to the name or responsibilities of an agency or
22 the name or purpose of a fund or distribution, the appropriation made in the Supplemental General
23 Appropriation Act of 2017 shall be transferred from the agency, fund or distribution to which an
24 appropriation has been made as required by existing law to the appropriate agency, fund or distribution
25 provided by the new law.

1 H. The department of finance and administration will regularly consult with the legislative
2 finance committee staff to compare fiscal year 2018 revenue collections with the revenue estimate. If
3 the analyses indicate that revenues and transfers to the general fund are not expected to meet
4 appropriations, then the department shall present a plan to the legislative finance committee that
5 outlines the methods by which the administration proposes to address the deficit.

6 I. Pursuant to Sections 6-3-23 through 6-3-25 NMSA 1978, agencies whose revenue from state
7 board of finance loans, from revenue appropriated by other acts of the legislature, or from gifts,
8 grants, donations, bequests, insurance settlements, refunds or payments into revolving funds exceeds
9 specifically appropriated amounts may request budget increases from the state budget division. If
10 approved by the state budget division, such money is appropriated.

11 J. Except for gasoline credit cards used solely for operation of official vehicles,
12 telephone credit cards used solely for official business and procurement cards used as authorized by
13 Section 6-5-9.1 NMSA 1978, none of the appropriations contained in the Supplemental General Appropriation
14 Act of 2017 may be expended for payment of agency-issued credit card invoices.

15 K. For the purpose of administering the Supplemental General Appropriation Act of 2017, the
16 state of New Mexico shall follow the modified accrual basis of accounting for governmental funds in
17 accordance with the manual of model accounting practices issued by the department of finance and
18 administration.
