SUMMARY

Synopsis of Bill

Senate Bill 109 increases the duration of a license issued to a barber, hairstylist, cosmetologist, instructor, esthetician, manicurist-pedicurist or electrologist from one to two years and increases the fee amount from \$50 - \$100.

FISCAL IMPLICATIONS

The fee increase is in line with the increase in duration of the license from one to two years. The fiscal impact is neutral, however, fund balances may vary moving forward as a result of biennial license renewal.

SIGNIFICANT ISSUES

The bill increases the duration of a license issued to a barber, hairstylist, cosmetologist, instructor, esthetician, manicurist-pedicurist or electrologist for one to two years.

Analysis shows multiple boards administered by RLD such as the real estate board, dental board, and pharmacy board renew biennially or triennially. Should the bill be enacted, the accounting and budgeting process of the boards in this bill would have to budget in a similar manner.
