4 to the department by the education service provider for credit

16 available and may be submitted through various sources,  
17 including the internet.

18 D. The department shall approve an application for

20 a full-time student in a public school shall result in the  
21 immediate suspension of payment of additional funds into the  
22 student's education freedom account; provided that, for  
23 education freedom accounts that have been open for at least one  
24 full school year, the department may allow an education freedom  
25 account to remain open and active for the parent to pay
