23 OFFICER--DUTIES AND POWERS.--

24 A. The "cybersecurity office" is created and is  
25 administratively attached to the department of information

1 technology. The office shall be managed by the security  
2 officer.

3 B. Except as required by federal law, the  
4 cybersecurity office shall oversee, in a fiscally responsible  
5 manner, cybersecurity- and information security-related  
6 functions for agencies and may:

7 (1) adopt and implement rules establishing  
8 minimum security standards and policies to protect agency  
9 information technology systems and infrastructure and provide  
10 appropriate governance and application of the standards and  
11 policies across information technology resources used by  
12 agencies to promote the availability, security and integrity  
13 of the information processed, transacted or stored by  
14 agencies in the state's information technology infrastructure  
15 and systems;

16 (2) develop minimum cybersecurity controls  
17 for managing and protecting information technology assets and  
18 infrastructure for all entities that are connected to an  
19 agency-operated or -owned telecommunications network;

20 (3) consistent with information security  
21 standards, monitor agency information technology networks to  
22 detect security incidents and support mitigation efforts as  
23 necessary and within capabilities;

24 (4) as reasonably necessary to perform its

2 Paragraph (3) of this subsection;

3 (5) in coordination with state and federal  
4 cybersecurity emergency management agencies as appropriate,  
5 create a model incident-response plan for public bodies to  
6 adopt with the cybersecurity office as the incident-response  
7 coordinator for incidents that:

8 (a) impact multiple public bodies;

9 (b) impact more than ten thousand  
10 residents of the state;

11 (c) involve a nation-state actor; or

12 (d) involve the marketing or transfer  
13 of confidential data derived from a breach of cybersecurity;

14 (6) serve as a cybersecurity resource for  
15 local governments;

16 (7) develop a service catalog of  
17 cybersecurity services to be offered to agencies and to  
18 political subdivisions of the state;

19 (8) collaborate with agencies in developing  
20 standards, functions and services in order to ensure the  
21 agency regulatory environments are understood and considered  
22 as part of a cybersecurity incident response;

23 (9) establish core services to support  
24 minimum security standards and policies;

25 (10) establish minimum data classification

1 policies and standards and design controls to support  
2 compliance with classifications and report on exceptions;

3 (11) develop and issue cybersecurity  
4 awareness policies and training standards and develop and  
5 offer cybersecurity training services; and

6 (12) establish a centralized cybersecurity  
7 and data breach reporting process for agencies and political  
8 subdivisions of the state.

9 SECTION 4. STATE CHIEF INFORMATION SECURITY

10 OFFICER--QUALIFICATIONS.--The position of "state chief  
11 information security officer" is created. The security  
12 officer shall be a classified position in accordance with  
13 rules promulgated pursuant to the Personnel Act.

14 SECTION 5. CYBERSECURITY ADVISORY COMMITTEE CREATED--  
15 MEMBERSHIP--DUTIES.--

16 A. The "cybersecurity advisory committee" is  
17 created within the cybersecurity office and shall:

18 (1) assist the office in the development of:

19 (a) a statewide cybersecurity plan;

20 (b) guidelines for best cybersecurity  
21 practices for agencies; and

22 (c) recommendations on how to respond  
23 to a specific cybersecurity threat or attack; and

24 (2) have authority over the hiring,  
25 supervision, discipline and compensation of the security

1 officer.

2 B. The security officer or the security officer's  
3 designee shall chair and be an advisory nonvoting member of  
4 the cybersecurity advisory committee; provided that the  
5 security officer shall be recused from deliberations  
6 concerning supervision, discipline or compensation of the  
7 security officer and the secretary of information technology  
8 shall chair those deliberations. The remaining members  
9 consist of:

10 (1) the secretary of information technology  
11 or the secretary's designee;

12 (2) the principal information technology  
13 staff person for the administrative office of the courts or  
14 the director's designee;

15 (3) the director of the legislative council  
16 service or the director's designee;

17 (4) one member appointed by the secretary  
18 of Indian affairs, who is experienced with cybersecurity  
19 issues;

20 (5) three members appointed by the chair of  
21 the board of directors of the New Mexico association of  
22 counties who represent county governmental agencies and who  
23 are experienced with cybersecurity issues; provided that at  
24 least one member shall represent a county other than a class  
25 A or H class county;

1                   (6) three members appointed by the chair of  
2 the board of directors of the New Mexico municipal league  
3 who represent municipal governmental agencies and who are  
4 experienced with cybersecurity issues; provided that only one  
5 member may represent a home rule municipality; and

6                   (7) three members appointed by the governor  
7 who may represent separate agencies other than the department  
8 of information technology and are experienced with  
9 cybersecurity issues.

10                  C. The cybersecurity advisory committee may invite  
11 representatives of unrepresented county, municipal or tribal  
12 agencies or other public entities to participate as advisory  
13 members of the committee as it determines that their  
14 participation would be useful to the deliberations of the  
15 committee.

16                  D. A meeting of and material presented to or  
17 generated by the cybersecurity advisory committee are subject  
18 to the Open Meetings Act and the Inspection of Public Records  
19 Act subject to an exception for a meeting or material  
20 concerning information that could, if made public, expose a  
21 vulnerability in:

22                         (1) an information system owned or operated  
23 by a public entity; or

24                         (2) a cybersecurity solution implemented by  
25 a public entity.

1           E. Pursuant to the Cybersecurity Act or other  
2 statutory authority, the security officer may issue orders  
3 regarding the compliance of agencies with guidelines or  
4 recommendations of the cybersecurity advisory committee;  
5 however, compliance with those guidelines or recommendations  
6 by non-executive agencies or county, municipal or tribal  
7 governments shall be strictly voluntary.

8           F. The cybersecurity advisory committee shall hold  
9 its first meeting on or before August 16, 2023 and shall meet  
10 every two months at minimum after that; provided that the  
11 security officer shall have the discretion to call for more  
12 frequent meetings as circumstances warrant. At the  
13 discretion of the security officer, the committee may issue  
14 advisory reports regarding cybersecurity issues.

15           G. The cybersecurity advisory committee shall  
16 present a report to the legislative finance committee and the  
17 appropriate legislative interim committee concerned with  
18 information technology at those committees' November 2023  
19 meetings and to the governor by November 30, 2023 regarding  
20 the status of cybersecurity preparedness within agencies and  
21 elsewhere in the state. On or before October 30, 2024 and on  
22 or before October 30 of each subsequent year, the  
23 cybersecurity office shall present updated reports to the  
24 legislative committees and the governor. The reports to  
25 legislative committees shall be in executive session, and any

1 materials connected with the report presentations are exempt  
2 from the Inspection of Public Records Act.

3 H. The members of the cybersecurity advisory  
4 committee shall receive no pay for their services as members  
5 of the committee, but shall be allowed per diem and mileage  
6 pursuant to the provisions of the Per Diem and Mileage Act.  
7 All per diem and contingent expenses incurred by the  
8 cybersecurity office shall be paid upon warrants of the  
9 secretary of finance and administration, supported by  
10 vouchers of the security officer."

11 SECTION 6. TEMPORARY PROVISION--TRANSFER OF FUNCTIONS,  
12 PERSONNEL, MONEY, APPROPRIATIONS, PROPERTY, CONTRACTUAL  
13 OBLIGATIONS AND STATUTORY REFERENCES.--On the effective date  
14 of this act:

15 A. all functions, personnel, money,  
16 appropriations, records, furniture, equipment, supplies and  
17 other property pertaining to cybersecurity or information  
18 security of the department of information technology are  
19 transferred to the cybersecurity office;

20 B. all contractual obligations of the department  
21 of information technology for cybersecurity or information  
22 security services are binding on the cybersecurity office;

23 C. all references in law to the chief information  
24 security officer of the department of information technology  
25 shall be deemed to be references to the state chief

1 information security officer; and

2 D. the chief information security officer for the  
3 department of information technology shall become the initial  
4 state chief information security officer.

5 SECTION 7. EFFECTIVE DATE.--The effective date of the  
6 provisions of this act is July 1, 2023. \_\_\_\_\_
