5 affects the tax, or a law supplemental thereto or otherwise  
6 appertaining thereto, shall not be repealed or amended or  
7 otherwise directly or indirectly modified in such a manner as  
8 to impair adversely any outstanding revenue bonds that may be  
9 secured by a pledge of such tax unless the outstanding revenue  
10 bonds have been discharged in full or provision has been fully  
11 made therefor. Revenues in excess of the annual principal and  
12 interest due on gross receipts tax revenue bonds secured by a  
13 pledge of gross receipts tax revenue may be accumulated in a  
14 debt service reserve account. The governing body of the

11 for which the particular project revenue bonds are issued to

14 project may not be pledged to the project revenue bonds issued  
15 for a revenue-producing project that clearly is unrelated in  
16 nature; but nothing in this subsection shall prevent the pledge

1           SECTION 3. Section 3-60A-21 NMSA 1978 (being Laws 1979,  
2 Chapter 391, Section 21, as amended) is amended to read:

3           "3-60A-21. PROPERTY AND GROSS RECEIPTS TAX INCREMENTS--  
4 PROCEDURES.--

5           A. The procedures to be used in determining a  
6 property tax increment are:

7                   (1) the local government shall, after approval  
8 of a metropolitan redevelopment plan, notify the county  
9 assessor of the taxable parcels of property within the  
10 metropolitan redevelopment area;

11                   (2) upon receipt of the notification, the  
12 county assessor shall identify the parcels of property within  
13 the metropolitan redevelopment area within their respective  
14 jurisdictions and certify to the county treasurer the net  
15 taxable value of the property at the time of notification as  
16 the base value for the distribution of property tax revenues  
17 authorized by the Property Tax Code. If because of acquisition  
18 by the local government the property becomes tax exempt, the  
19 county assessor shall note that fact on their respective  
20 records and so notify the county treasurer, but the county  
21 assessor and the county treasurer shall preserve a record of  
22 the net taxable value at the time of inclusion of the property  
23 within the metropolitan redevelopment area as the base value  
24 for the purpose of distribution of property tax revenues when  
25 the parcel again becomes taxable. The county assessor is not

1 required by this section to preserve the new taxable value at  
2 the time of inclusion of the property within the metropolitan  
3 redevelopment area as the base value for the purposes of  
4 valuation of the property;

5 (3) if because of acquisition by the local  
6 government the property becomes tax exempt, when the parcel  
7 again becomes taxable, the local government shall notify the  
8 county assessor of the parcels of property that because of  
9 their rehabilitation or other improvement are to be revalued  
10 for property tax purposes. A new taxable value of this  
11 property shall then be determined by the county assessor. If  
12 no acquisition by the local government occurs, improvement or  
13 rehabilitation of property subject to valuation by the assessor  
14 shall be reported to the assessor as required by the Property  
15 Tax Code, and the new taxable value shall be determined as of  
16 January 1 of the tax year following the year in which the  
17 improvement or rehabilitation is completed; and

18 (4) current tax rates shall then be applied to  
19 the new taxable value of property included in the metropolitan  
20 redevelopment area. The amount by which the revenue received  
21 exceeds that which would have been received by application of  
22 the same rates to the base value before inclusion in the  
23 metropolitan redevelopment area shall be multiplied by the  
24 percentage of the increment dedicated by the local government

3 treasurer has been notified to apply the procedures pursuant to  
4 this subsection to property included in a metropolitan  
5 redevelopment area. Unless the entire metropolitan  
6 redevelopment area is specifically included by the local  
7 government for purposes of tax increment financing, the payment  
8 by the county treasurer to the local government shall be  
9 limited to those properties specifically included. The  
10 remaining revenue shall be distributed to participating units  
11 of government as authorized by the Property Tax Code.

12 B. The procedures to be used in determining a gross  
13 receipts tax increment are:

14 (1) after approval of a metropolitan  
15 redevelopment area, a dedication is made pursuant to Section  
16 3-60A-23 NMSA 1978 and at least one hundred twenty days before  
17 the effective date of the dedication, the local government  
18 shall notify the taxation and revenue department of the

20 and the percentages of a gross receipts tax increment;

21 (2) within ninety days of receipt of the  
22 notification, the taxation and revenue department shall certify

12 a federal court, from which order, appeal or review is not  
13 successfully taken, adjudging that a person has properly  
14 claimed a credit, rebate or a refund of overpaid tax, the  
15 secretary shall authorize the payment to the person of the

5 covering multiple reporting periods in which both underpayments  
6 and overpayments of a tax have been made in different reporting  
7 periods, the department shall credit the tax overpayments  
8 against the underpayments; provided that the taxpayer files a  
9 claim for refund of the overpayments. An overpayment shall be  
10 applied as a credit first to the earliest underpayment and then  
11 to succeeding underpayments. An underpayment of tax to which  
12 an overpayment is credited pursuant to this section shall be  
13 deemed paid in the period in which the overpayment was made or  
14 the period to which the overpayment was credited against an

17 amount of the net overpayment for the periods covered in the  
18 audit shall be refunded to the taxpayer.

19 E. When a taxpayer makes a payment identified to a

14 taxpayer to file a refund claim.

15 G. Records of refunds and credits made in excess of

5 assessment was issued or by another person who claims to have  
6 previously paid the tax on behalf of the taxpayer. Prior to  
7 granting the refund or credit, the secretary may require a  
8 waiver of all rights to claim a refund or credit of the tax  
9 previously paid by another person paying a tax on behalf of the  
10 taxpayer.

11 I. If, as a result of an audit by the department or  
12 a managed audit, a person is determined to owe gross receipts  
13 tax on receipts from the sale of property or services, the  
14 department may credit against the amount owed an amount of  
15 compensating tax paid by the purchaser if the person can  
16 demonstrate that the purchaser timely paid the compensating tax  
17 on the same property or services. The credit provided by this  
18 subsection shall not be denied solely because the purchaser  
19 cannot timely file for a refund of the compensating tax paid  
20 and, if the credit is to be granted, the department shall  
21 require, for the purpose of granting the credit, that the

8 (4) a statement that any paid-up annuity, cash  
9 surrender or death benefits that may be available under the  
10 contract are not less than the minimum benefits required by any  
11 statute of the state in which the contract is delivered and an  
12 explanation of the manner in which such benefits are altered by  
13 the existence of any additional amounts credited by the insurer  
14 to the contract, any indebtedness to the insurer on the  
15 contract or any prior withdrawals from or partial surrenders of  
16 the contract.

17 C. Notwithstanding the requirements of this  
18 section, any deferred annuity contract may provide that if no  
19 considerations have been received under a contract for a period  
20 of two full years and the portion of the paid-up annuity  
21 benefit at maturity on the plan stipulated in the contract  
22 arising from prior considerations paid would be less than  
23 twenty dollars (\$20.00) monthly, the insurer may at its option  
24 terminate such contract by payment in cash of the then present  
25 value of such portion of the paid-up annuity benefit,

1 calculated on the basis of the mortality table, if any, and  
2 interest rate specified in the contract for determining the  
3 paid-up annuity benefit, and by such payment shall be relieved  
4 of any further obligation under such contract.

5 D. The minimum values as specified in Subsections  
6 H, I, J, K and M of this section of any paid-up annuity, cash  
7 surrender or death benefits available under an annuity contract  
8 shall be based upon minimum nonforfeiture amounts as defined in  
9 this section. The minimum nonforfeiture amount at any time at  
10 or prior to the commencement of any annuity payments shall be  
11 equal to an accumulation up to such time at rates of interest  
12 as indicated in Subsection E of this section of the net  
13 considerations, as hereinafter defined, paid prior to such  
14 time, decreased by the sum of Paragraphs (1) through (4) of  
15 this subsection:

16 (1) any prior withdrawals from or partial  
17 surrenders of the contract accumulated at rates of interest as  
18 indicated in Subsection E of this section;

19 (2) an annual contract charge of fifty dollars  
20 (\$50.00), accumulated at rates of interest as indicated in  
21 Subsection E of this section;

22 (3) any state or local option gross receipts  
23 tax [~~pursuant to the Insurance Premium Tax Act~~] paid by the  
24 insurer for the contract, accumulated at rates of interest as  
25 indicated in Subsection E of this section; and

1 (4) the amount of any indebtedness to the  
2 insurer on the contract, including interest due and accrued.

3 E. The net considerations for a given contract year  
4 used to define the minimum nonforfeiture amount shall be an  
5 amount equal to eighty-seven and one-half percent of the gross  
6 considerations credited to the contract during that contract  
7 year. The interest rate used in determining minimum  
8 nonforfeiture amounts shall be an annual rate of interest  
9 determined as the lesser of three percent per annum and the  
10 following, which shall be specified in the contract if the  
11 interest rate will be reset:

12 (1) the five-year constant maturity treasury  
13 rate reported by the federal reserve as of a date, or average  
14 over a period, rounded to the nearest one-twentieth percent,  
15 specified in the contract no longer than fifteen months prior  
16 to the contract issue date or redetermination date pursuant to  
17 Paragraph (2) of this subsection reduced by one hundred twenty-  
18 five basis points, where the resulting interest rate is not  
19 less than one percent; and

20 (2) the interest rate shall apply for an  
21 initial period and may be redetermined for additional periods.  
22 The redetermination date, basis and period, if any, shall be  
23 stated in the contract. The basis is the date or average over  
24 a specified period that produces the value of the five-year  
25 constant maturity treasury rate to be used at each

.226528.2

underscored material = new  
~~[bracketed material] = delete~~

1 redetermination date.

2 F. Notwithstanding the provisions of Subsections D  
3 and E of this section, during the period or term that a  
4 contract provides substantive participation in an equity  
5 indexed benefit, it may increase the reduction described in  
6 Paragraph (1) of Subsection E of this section by up to an  
7 additional one hundred basis points to reflect the value of the  
8 equity index benefit. The present value at the contract issue  
9 date, and at each redetermination date thereafter, of the  
10 additional reduction shall not exceed the market value of the  
11 benefit. The superintendent may require a demonstration that  
12 the present value of the reduction does not exceed the market  
13 value of the benefit. Lacking such a demonstration that is  
14 acceptable to the superintendent, the superintendent may  
15 disallow or limit the additional reduction.

16 G. The superintendent may adopt rules to implement  
17 the provisions of Subsection F of this section and to provide  
18 for further adjustments to the calculation of minimum  
19 nonforfeiture amounts for contracts that provide substantive  
20 participation in an equity index benefit and for other  
21 contracts that the superintendent determines adjustments are  
22 justified.

23 H. Any paid-up annuity benefit available under a  
24 contract shall be such that its present value on the date  
25 annuity payments are to commence is at least equal to the

.226528.2

1 minimum nonforfeiture amount on that date. Such present value  
2 shall be computed using the mortality table, if any, and the  
3 interest rates specified in the contract for determining the  
4 minimum paid-up annuity benefits guaranteed in the contract.

5 I. For contracts that provide cash surrender  
6 benefits, such cash surrender benefits available prior to  
7 maturity shall not be less than the present value as of the  
8 date of surrender of that portion of the maturity value of the  
9 paid-up annuity benefit that would be provided under the  
10 contract at maturity arising from considerations paid prior to  
11 the time of cash surrender reduced by the amount appropriate to  
12 reflect any prior withdrawals from or partial surrenders of the  
13 contract, such present value being calculated on the basis of  
14 an interest rate not more than one percent higher than the  
15 interest rate specified in the contract for accumulating the  
16 net considerations to determine such maturity value, decreased  
17 by the amount of any indebtedness to the insurer on the  
18 contract, including interest due and accrued, and increased by  
19 any existing additional amounts credited by the insurer to the  
20 contract. In no event shall any cash surrender benefit be less  
21 than the minimum nonforfeiture amount at that time. The death  
22 benefit under such contracts shall be at least equal to the  
23 cash surrender benefit.

24 J. For contracts that do not provide cash surrender  
25 benefits, the present value of any paid-up annuity benefit

.226528.2

underscoring material = new  
~~[bracketed material] = delete~~

1 available as a nonforfeiture option at any time prior to  
2 maturity shall not be less than the present value of that  
3 portion of the maturity value of the paid-up annuity benefit  
4 provided under the contract arising from considerations paid  
5 prior to the time the contract is surrendered in exchange for,  
6 or changed to, a deferred paid-up annuity, such present value  
7 being calculated for the period prior to the maturity date on  
8 the basis of the interest rate specified in the contract for  
9 accumulating the net considerations to determine such maturity  
10 value, and increased by any existing additional amounts  
11 credited by the insurer to the contract. For contracts that do  
12 not provide any death benefits prior to the commencement of any  
13 annuity payments, such present values shall be calculated on  
14 the bases of such interest rate and the mortality table  
15 specified in the contract for determining the maturity value of  
16 the paid-up annuity benefit. However, in no event shall the  
17 present value of a paid-up annuity benefit be less than the  
18 minimum nonforfeiture amount at that time.

19 K. For the purpose of determining the benefits  
20 calculated under Subsections I and J of this section, in the  
21 case of annuity contracts under which an election may be made  
22 to have annuity payments commence at optional maturity dates,  
23 the maturity date shall be deemed to be the latest date for  
24 which election shall be permitted by the contract, but shall  
25 not be deemed to be later than the anniversary of the contract

.226528.2

underscored material = new  
~~[bracketed material] = delete~~

1 next following the annuitant's seventieth birthday or the tenth  
2 anniversary of the contract, whichever is later.

3 L. Any contract that does not provide cash  
4 surrender benefits or does not provide death benefits at least  
5 equal to the minimum nonforfeiture amount prior to the  
6 commencement of any annuity payments shall include a statement  
7 in a prominent place in the contract that such benefits are not  
8 provided.

9 M. Any paid-up annuity, cash surrender or death  
10 benefits available at any time, other than on the contract  
11 anniversary under any contract with fixed scheduled  
12 considerations, shall be calculated with allowance for the  
13 lapse of time and the payment of any scheduled considerations  
14 beyond the beginning of the contract year in which cessation of  
15 payment of considerations under the contract occurs.

16 N. For any contract that provides, within the same  
17 contract by rider or supplemental contract provision, both  
18 annuity benefits and life insurance benefits that are in excess  
19 of the greater of cash surrender benefits or a return of the  
20 gross considerations with interest, the minimum nonforfeiture  
21 benefits shall be equal to the sum of the minimum nonforfeiture  
22 benefits for the annuity portion and the minimum nonforfeiture  
23 benefits, if any, for the life insurance portion computed as if  
24 each portion were a separate contract. Notwithstanding the  
25 provisions of Subsections H, I, J, K and M of this section,

.226528.2

1 additional benefits payable in the event of total and permanent  
2 disability, as reversionary annuity or deferred reversionary  
3 annuity benefits, or as other policy benefits additional to  
4 life insurance, endowment and annuity benefits, and  
5 considerations for all such additional benefits, shall be  
6 disregarded in ascertaining the minimum nonforfeiture amounts,  
7 paid-up annuity, cash surrender and death benefits that may be  
8 required by this section. The inclusion of such additional  
9 benefits shall not be required in any paid-up benefits, unless  
10 such additional benefits separately would require minimum  
11 nonforfeiture amounts, paid-up annuity, cash surrender and  
12 death benefits.

13 O. The superintendent may adopt rules to implement  
14 the provisions of this section.

15 P. After July 1, 2003, an insurer may elect to  
16 apply its provisions to annuity contracts on a contract-form  
17 by contract-form basis before July 1, 2005. In all other  
18 instances this section shall become operative with respect to  
19 annuity contracts issued by the insurer after June 30, 2005."

20 SECTION 62. Section 59A-22-50 NMSA 1978 (being Laws 2010,  
21 Chapter 94, Section 1, as amended) is amended to read:

22 "59A-22-50. HEALTH INSURERS--DIRECT SERVICES.--

23 A. A health insurer shall reimburse direct services  
24 as follows:

2 (2) for large groups, at no less than eighty-  
3 five percent of aggregate premiums for all such products.

4 B. Reimbursement for direct services shall be  
5 determined based on services provided over the preceding three  
6 calendar years, but not earlier than calendar year 2010, as  
7 determined by reports filed with the office of superintendent  
8 of insurance. Reimbursement calculations shall include short-  
9 term plans, but exclude all other excepted benefits plans  
10 governed by the provisions of Chapter 59A, Article 23G NMSA  
11 1978.

12 C. For individually underwritten health care  
13 policies, plans or contracts, the superintendent shall  
14 establish, after notice and informal hearing, the level of  
15 reimbursement for direct services, as determined by the reports  
16 filed with the office of superintendent of insurance, as a  
17 percent of premiums. Additional informal hearings may be held  
18 at the superintendent's discretion. In establishing the level  
19 of reimbursement for direct services, the superintendent shall  
20 consider the costs associated with the individual marketing and  
21 medical underwriting of these policies, plans or contracts at a  
22 level not less than seventy-five percent of premiums. A health  
23 insurer writing these policies shall make reimbursement for  
24 direct services at a level not less than that level established  
25 by the superintendent pursuant to this subsection over the

2 established, but not earlier than calendar year 2010. Nothing  
3 in this subsection shall be construed to preclude a purchaser  
4 of one of these policies, plans or contracts from negotiating  
5 an agreement with a health insurer that requires a higher  
6 amount of premiums paid to be used for reimbursement for direct  
7 services.

8 D. An insurer that fails to comply with the  
9 reimbursement requirements pursuant to this section shall issue  
10 a dividend or credit against future premiums to all  
11 policyholders in an amount sufficient to ensure that the  
12 benefits paid in the preceding three calendar years plus the  
13 amount of the dividends or credits are equal to the required  
14 direct services reimbursement level pursuant to Subsection A of  
15 this section for group health coverage and blanket health  
16 coverage or the required direct services reimbursement level  
17 pursuant to Subsection B of this section for individually  
18 underwritten health policies, contracts or plans for the  
19 preceding three calendar years. If the insurer fails to issue  
20 the dividend or credit in accordance with the requirements of  
21 this section, the superintendent shall enforce these  
22 requirements and may pursue any other penalties as provided by  
23 law, including general penalties pursuant to Section 59A-1-18  
24 NMSA 1978.

25 E. After notice and hearing, the superintendent may

6 practitioner, facility or other provider, including case  
7 management, disease management, health education and promotion,  
8 preventive services, quality incentive payments to providers  
9 and any portion of an assessment that covers services rather

6 associated with participating in a health insurance exchange  
7 that serves as a clearinghouse for insurance; and

8 (4) "short-term plan" means a nonrenewable
