WHAT WILL BE THE CONSEQUENCES OF NOT ENACTING THIS BILL

AMENDMENTS

C. multiple television receivers are displaying the same television program, in which case only one television receiver is required to display closed captioning.

It could be possible that a large establishment might have several rooms or viewing areas. This language could allow such an establishment to have only a single television receiver set to display closed captioning, permitting other television receivers in a different viewing area to not have to display closed captioning.

Recommend amend to

C. multiple television receivers are displaying the same television program in a single room or common viewing area, in which case only one television receiver is required to display closed captioning in that room or common viewing area.
