14 requirements of Subsection A of this section to obtain a
15 compact privilege in any remote state.

16 H. If a licensee's compact privilege in any remote

22 conditions have been met;

23 (3) two years have elapsed from the date in

3 reflect reinstatement.

4 I. If a licensee's compact privilege in any remote
5 state is removed due to an erroneous charge, privileges shall
6 be restored through the compact data system.

7 J. Once the requirements of Subsection H have been
8 met, the licensee must meet the requirements in Subsection A of
9 this section to obtain a compact privilege in a remote state.

10 SECTION 6. [NEW MATERIAL] OBTAINING A NEW HOME STATE
11 LICENSE BY VIRTUE OF COMPACT PRIVILEGE.--

14 for compact privileges in member states, in only one member
15 state at a time.

16 B. If an occupational therapist or occupational
17 therapy assistant changes primary state of residence by moving
18 between two member states:

22 applicable fees and notify the current and new home state in
23 accordance with applicable rules adopted by the commission;

24 (2) upon receipt of an application for
25 obtaining a new home state license by virtue of compact

1 privilege, the new home state shall verify that the
2 occupational therapist or occupational therapy assistant meets
3 the pertinent criteria outlined in Section 5 of the
4 Occupational Therapy Licensure Interstate Compact via the data
5 system, without need for primary source verification except
6 for:

7 (a) a federal bureau of investigation
8 fingerprint-based criminal background check, if not previously
9 performed or updated pursuant to applicable rules adopted by
10 the commission in accordance with Public Law 92-544;

11 (b) any other criminal background check
12 as required by the new home state; and

13 (c) submission of any requisite
14 jurisprudence requirements of the new home state;

15 (3) the former home state shall convert the
16 former home state license into a compact privilege once the new
17 home state has activated the new home state license in
18 accordance with applicable rules adopted by the commission;

19 (4) notwithstanding any other provision of the
20 compact, if the occupational therapist or occupational therapy
21 assistant cannot meet the requirements in Section 5 of the
22 Occupational Therapy Licensure Interstate Compact, the new home
23 state shall apply its requirements for issuing a new single-
24 state license; and

25 (5) the occupational therapist or the

.230893.2

1 occupational therapy assistant shall pay all applicable fees to
2 the new home state in order to be issued a new home state
3 license.

4 C. If an occupational therapist or occupational
5 therapy assistant changes primary state of residence by moving
6 from a member state to a nonmember state, or from a nonmember
7 state to a member state, the state criteria shall apply for
8 issuance of a single-state license in the new state.

9 D. Nothing in the compact shall interfere with a
10 licensee's ability to hold a single-state license in multiple
11 states; however, for the purposes of the compact, a licensee
12 shall have only one home state license.

13 E. Nothing in the compact shall affect the
14 requirements established by a member state for the issuance of
15 a single-state license.

16 SECTION 7. [NEW MATERIAL] ACTIVE DUTY MILITARY PERSONNEL
17 OR THEIR SPOUSES.--Active duty military personnel, or their
18 spouses, shall designate a home state where the individual has
19 a current license in good standing. The individual may retain
20 the home state designation during the period the service member
21 is on active duty. Subsequent to designating a home state, the
22 individual shall only change the individual's home state
23 through application for licensure in the new state or through
24 the process described in Section 6 of the Occupational Therapy
25 Licensure Interstate Compact.

.230893.2

1 SECTION 8. [NEW MATERIAL] ADVERSE ACTIONS.--

2 A. A home state shall have exclusive power to
3 impose adverse action against an occupational therapist's or
4 occupational therapy assistant's license issued by the home
5 state.

6 B. In addition to the other powers conferred by
7 state law, a remote state shall have the authority, in
8 accordance with existing state due process law, to:

9 (1) take adverse action against an
10 occupational therapist's or occupational therapy assistant's
11 compact privilege within that member state; and

12 (2) issue subpoenas for both hearings and
13 investigations that require the attendance and testimony of
14 witnesses as well as the production of evidence. Subpoenas
15 issued by a licensing board in a member state for the
16 attendance and testimony of witnesses or the production of
17 evidence from another member state shall be enforced in the
18 latter state by any court of competent jurisdiction according
19 to the practice and procedure of that court applicable to
20 subpoenas issued in proceedings pending before it. The issuing
21 authority shall pay any witness fees, travel expenses, mileage
22 and other fees required by the service statutes of the state in
23 which the witnesses or evidence are located.

24 C. For purposes of taking adverse action, the home
25 state shall give the same priority and effect to reported

.230893.2

1 conduct received from a member state as it would if the conduct
2 had occurred within the home state. In so doing, the home
3 state shall apply its own state laws to determine appropriate
4 action.

5 D. The home state shall complete any pending
6 investigations of an occupational therapist or occupational
7 therapy assistant who changes primary state of residence during
8 the course of the investigations. The home state shall also
9 have the authority to take appropriate action and shall
10 promptly report the conclusions of the investigations to the
11 data system. The data system administrator shall promptly
12 notify the new home state of any adverse actions.

13 E. If otherwise permitted by state law, a member
14 state may recover from the affected occupational therapist or
15 occupational therapy assistant the costs of investigations and
16 disposition of cases resulting from any adverse action taken
17 against that occupational therapist or occupational therapy
18 assistant.

19 F. A member state may take adverse action based on
20 the factual findings of the remote state, provided that the
21 member state follows its own procedures for taking the adverse
22 action.

23 G. In addition to the authority granted to a member
24 state by its respective state occupational therapy laws and
25 regulations or other applicable state law, any member state may

.230893.2

1 participate with other member states in joint investigations of
 2 licensees. Member states shall share any investigative,
 3 litigation or compliance materials in furtherance of any joint
 4 or individual investigation initiated under the compact.

5 H. If adverse action is taken by the home state
 6 against an occupational therapist's or occupational therapy
 7 assistant's license, the occupational therapist's or
 8 occupational therapy assistant's compact privilege in all other
 9 member states shall be deactivated until all encumbrances have
 10 been removed from the state license. All home state
 11 disciplinary orders that impose adverse action against an
 12 occupational therapist's or occupational therapy assistant's
 13 license shall include a statement that the occupational
 14 therapist's or occupational therapy assistant's compact
 15 privilege is deactivated in all member states during the
 16 pendency of the order.

17 I. If a member state takes adverse action, it shall
 18 promptly notify the administrator of the data system. The
 19 administrator of the data system shall promptly notify the home
 20 state of any adverse actions by remote states.

21 J. Nothing in the compact shall override a member
 22 state's decision that participation in an alternative program
 23 may be used in lieu of adverse action.

12 (9) disclosure of information related to any
13 investigative reports prepared by or on behalf of or for use of
14 the commission or other committee charged with responsibility
15 of investigation or determination of compliance issues pursuant
16 to the compact; or

17 (10) matters specifically exempted from
18 disclosure by federal or member state statute.

19 K. If a meeting, or portion of a meeting, is closed
20 pursuant to Subsection J of this section, the commission's
21 legal counsel or designee shall certify that the meeting may be
22 closed and shall reference each relevant exempting provision.

23 L. The commission shall keep minutes that fully and
24 clearly describe all matters discussed in a meeting and shall
25 provide a full and accurate summary of actions taken, and the

1 reasons therefore, including a description of the views
2 expressed. All documents considered in connection with an
3 action shall be identified in the minutes. All minutes and
4 documents of a closed meeting shall remain under seal, subject
5 to release by a majority vote of the commission or order of a
6 court of competent jurisdiction.

7 M. The commission shall pay, or provide for the
8 payment of, the reasonable expenses of its establishment,
9 organization and ongoing activities. The commission may accept
10 any and all appropriate revenue sources, donations and grants
11 of money, equipment, supplies, materials and services. The
12 commission may levy on and collect an annual assessment from
13 each member state or impose fees on other parties to cover the
14 cost of the operations and activities of the commission and its
15 staff, which must be in a total amount sufficient to cover its
16 annual budget as approved by the commission each year for which
17 revenue is not provided by other sources. The aggregate annual
18 assessment amount shall be allocated based upon a formula to be
19 determined by the commission, which shall promulgate a rule
20 binding upon all member states.

21 N. The commission shall not incur obligations of
22 any kind prior to securing the funds adequate to meet the
23 obligations; nor shall the commission pledge the credit of any
24 of the member states, except by and with the authority of the
25 member state.

.230893.2

1 O. The commission shall keep accurate accounts of
2 all receipts and disbursements. The receipts and disbursements
3 of the commission shall be subject to the audit and accounting
4 procedures established under its bylaws. However, all receipts
5 and disbursements of funds handled by the commission shall be
6 audited yearly by a certified or licensed public accountant,
7 and the report of the audit shall be included in and become
8 part of the annual report of the commission.

9 SECTION 10. ~~[NEW MATERIAL]~~ QUALIFIED IMMUNITY, DEFENSE
10 AND INDEMNIFICATION.--

11 A. The members, officers, executive director,
12 employees and representatives of the commission shall be immune
13 from suit and liability, either personally or in their official
14 capacity, for any claim for damage to or loss of property or
15 personal injury or other civil liability caused by or arising
16 out of any actual or alleged act, error or omission that
17 occurred, or that the person against whom the claim is made had
18 a reasonable basis for believing occurred within the scope of
19 commission employment, duties or responsibilities; provided
20 that nothing in this subsection shall be construed to protect
21 any such person from suit or liability for any damage, loss,
22 injury or liability caused by the intentional or willful or
23 wanton misconduct of that person.

24 B. The commission shall defend any member, officer,
25 executive director, employee or representative of the

1 commission in any civil action seeking to impose liability
 2 arising out of any actual or alleged act, error or omission
 3 that occurred within the scope of commission employment, duties
 4 or responsibilities, or that the person against whom the claim
 5 is made had a reasonable basis for believing occurred within
 6 the scope of commission employment, duties or responsibilities;
 7 provided that nothing in this section shall be construed to
 8 prohibit that person from retaining counsel; and further
 9 provided that the actual or alleged act, error or omission did
 10 not result from that person's intentional or willful or wanton
 11 misconduct.

12 C. The commission shall indemnify and hold harmless
 13 any member, officer, executive director, employee or
 14 representative of the commission for the amount of any
 15 settlement or judgment obtained against that person arising out
 16 of any actual or alleged act, error or omission that occurred
 17 within the scope of commission employment, duties or
 18 responsibilities, or that such person had a reasonable basis
 19 for believing occurred within the scope of commission
 20 employment, duties or responsibilities; provided that the
 21 actual or alleged act, error or omission did not result from
 22 the intentional or willful or wanton misconduct of that person.

23 SECTION 11. [NEW MATERIAL] DATA SYSTEM.--

24 A. The commission shall provide for the
 25 development, maintenance and utilization of a coordinated

.230893.2

1 database and reporting system containing licensure, adverse
2 action and investigative information on all licensed
3 individuals in member states.

4 B. A member state shall submit a uniform data set
5 to the data system on all individuals to whom the compact is
6 applicable, using a unique identifier, as required by the rules
7 of the commission, including:

- 8 (1) identifying information;
- 9 (2) licensure data;
- 10 (3) adverse actions against a license or
11 compact privilege;
- 12 (4) non-confidential information related to
13 alternative program participation;
- 14 (5) any denial of application for licensure,
15 and the reason for such denial;
- 16 (6) other information that may facilitate the
17 administration of the compact, as determined by the rules of
18 the commission; and
- 19 (7) current significant investigative
20 information.

21 C. Current significant investigative information
22 and other investigative information pertaining to a licensee in
23 any member state shall only be available to other member
24 states.

25 D. The commission shall promptly notify all member

1 states of any adverse action taken against a licensee or an
 2 individual applying for a license. Adverse action information
 3 pertaining to a licensee in any member state will be available
 4 to any other member state.

5 E. Member states contributing information to the
 6 data system may designate information that may not be shared
 7 with the public without the express permission of the
 8 contributing state.

9 F. Any information submitted to the data system
 10 that is subsequently required to be expunged by the laws of the
 11 member state contributing the information shall be removed from
 12 the data system.

13 SECTION 12. [NEW MATERIAL] RULEMAKING.--

14 A. The commission shall exercise its rulemaking
 15 powers pursuant to the criteria set forth in this section and
 16 the rules adopted thereunder. Rules and amendments shall
 17 become binding as of the date specified in each rule or
 18 amendment.

19 B. The commission shall promulgate reasonable rules
 20 in order to effectively and efficiently achieve the purposes of
 21 the compact. In the event the commission exercises its
 22 rulemaking authority in a manner that is beyond the scope of
 23 the purposes of the compact, such an action by the commission
 24 shall be invalid and have no force and effect.

25 C. If a majority of the legislatures of the member

.230893.2

1 states rejects a rule, by enactment of a statute or resolution
2 in the same manner used to adopt the compact within four years
3 of the date of adoption of the rule, the rule shall have no
4 further force and effect in any member state.

5 D. Rules or amendments to the rules shall be
6 adopted at a regular or special meeting of the commission.

7 E. Prior to promulgation and adoption of a final
8 rule by the commission, and at least thirty days in advance of
9 the meeting at which the rule will be considered and voted
10 upon, the commission shall file a notice of proposed
11 rulemaking:

12 (1) on the website of the commission or other
13 publicly accessible platform; and

14 (2) on the website of each member state
15 occupational therapy licensing board or other publicly
16 accessible platform or the publication in which each state
17 would otherwise publish proposed rules.

18 F. The notice of proposed rulemaking shall include:

19 (1) the proposed time, date and location of
20 the meeting in which the rule will be considered and voted
21 upon;

22 (2) the text of the proposed rule or amendment
23 and the reason for the proposed rule;

24 (3) a request for comments on the proposed
25 rule from any interested person; and

1 (4) the manner in which interested persons may
2 submit notice to the commission of their intention to attend
3 the public hearing and any written comments.

4 G. Prior to adoption of a proposed rule, the
5 commission shall allow persons to submit written data, facts,
6 opinions and arguments, which shall be made available to the
7 public.

8 H. The commission shall grant an opportunity for a
9 public hearing before it adopts a rule or amendment if a
10 hearing is requested by:

11 (1) at least twenty-five persons;

12 (2) a state or federal governmental
13 subdivision or agency; or

14 (3) an association or organization having at
15 least twenty-five members.

16 I. If a hearing is held on the proposed rule or
17 amendment, the commission shall publish the place, time and
18 date of the scheduled public hearing. If the hearing is held
19 via electronic means, the commission shall publish the
20 mechanism for access to the electronic hearing and the
21 procedure for hearings shall be conducted according to the
22 following provisions:

23 (1) all persons wishing to be heard at the
24 hearing shall notify the executive director of the commission
25 or other designated member in writing of their desire to appear

.230893.2

1 and testify at the hearing not less than five business days
2 before the scheduled date of the hearing;

3 (2) hearings shall be conducted in a manner
4 providing each person who wishes to comment a fair and
5 reasonable opportunity to comment orally or in writing;

6 (3) all hearings will be recorded. A copy of
7 the recording will be made available on request; and

8 (4) nothing in this section shall be construed
9 as requiring a separate hearing on each rule. Rules may be
10 grouped for the convenience of the commission at hearings
11 required by this section.

12 J. Following the scheduled hearing date, or by the
13 close of business on the scheduled hearing date if the hearing
14 was not held, the commission shall consider all written and
15 oral comments received.

16 K. If no written notice of intent to attend the
17 public hearing by interested parties is received, the
18 commission may proceed with promulgation of the proposed rule
19 without a public hearing.

20 L. The commission shall, by majority vote of all
21 members, take final action on the proposed rule and shall
22 determine the effective date of the rule, if any, based on the
23 rulemaking record and the full text of the rule.

24 M. Upon determination that an emergency exists, the
25 commission may consider and adopt an emergency rule without

1 prior notice, opportunity for comment or hearing; provided that
2 the usual rulemaking procedures provided in the compact and in
3 this section shall be retroactively applied to the rule as soon
4 as reasonably possible, but in no event later than ninety days
5 after the effective date of the rule. For the purposes of this
6 provision, an emergency rule is one that must be adopted
7 immediately in order to:

8 (1) meet an imminent threat to public health,
9 safety or welfare;

10 (2) prevent a loss of commission or member
11 state funds;

12 (3) meet a deadline for the promulgation of an
13 administrative rule that is established by federal law or rule;
14 or

15 (4) protect public health and safety.

16 N. The commission or an authorized committee of the
17 commission may direct revisions to a previously adopted rule or
18 amendment for purposes of correcting typographical errors,
19 errors in format, errors in consistency or grammatical errors.
20 Public notice of any revisions shall be posted on the website
21 of the commission. The revision shall be subject to challenge
22 by any person for a period of thirty days after posting. The
23 revision may be challenged only on grounds that the revision
24 results in a material change to a rule. A challenge shall be
25 made in writing and delivered to the chair of the commission

.230893.2

1 prior to the end of the notice period. If no challenge is
2 made, the revision shall take effect without further action.
3 If the revision is challenged, the revision may not take effect
4 without the approval of the commission.

5 SECTION 13. [NEW MATERIAL] OVERSIGHT, DISPUTE RESOLUTION
6 AND ENFORCEMENT.--

7 A. The executive, legislative and judicial branches
8 of state government in each member state shall enforce the
9 compact and take all actions necessary and appropriate to
10 effectuate the compact's purposes and intent. The provisions
11 of the compact and the rules promulgated hereunder shall have
12 standing as statutory law.

13 B. All courts shall take judicial notice of the
14 compact and the rules in any judicial or administrative
15 proceeding in a member state pertaining to the subject matter
16 of the compact which may affect the powers, responsibilities or
17 actions of the commission. The commission shall be entitled to
18 receive service of process in any judicial or administrative
19 proceeding and shall have standing to intervene in such a
20 proceeding for all purposes. Failure to provide service of
21 process to the commission shall render a judgment or order void
22 as to the commission, the compact or promulgated rules.

23 C. If the commission determines that a member state
24 has defaulted in the performance of its obligations or
25 responsibilities under the compact or the promulgated rules,

.230893.2

1 the commission shall:

2 (1) provide written notice to the defaulting
3 state and other member states of the nature of the default, the
4 proposed means of curing the default or any other action to be
5 taken by the commission; and

6 (2) provide remedial training and specific
7 technical assistance regarding the default.

8 D. If a state in default fails to cure the default,
9 the defaulting state may be terminated from the compact upon an
10 affirmative vote of a majority of the member states, and all
11 rights, privileges and benefits conferred by the compact may be
12 terminated on the effective date of termination. A cure of the
13 default does not relieve the offending state of obligations or
14 liabilities incurred during the period of default.

15 E. Termination of membership in the compact shall
16 be imposed only after all other means of securing compliance
17 have been exhausted. Notice of intent to suspend or terminate
18 shall be given by the commission to the governor, the majority
19 and minority leaders of the defaulting state's legislature and
20 each of the member states.

21 F. A state that has been terminated is responsible
22 for all assessments, obligations and liabilities incurred
23 through the effective date of termination, including
24 obligations that extend beyond the effective date of
25 termination.

.230893.2

1 G. The commission shall not bear any costs related
2 to a state that is found to be in default or that has been
3 terminated from the compact, unless agreed upon in writing
4 between the commission and the defaulting state.

5 H. The defaulting state may appeal the action of
6 the commission by petitioning the United States district court
7 for the District of Columbia or the federal district where the
8 commission has its principal offices. The prevailing member
9 shall be awarded all costs of such litigation, including
10 reasonable attorney fees.

11 I. Upon request by a member state, the commission
12 shall attempt to resolve disputes related to the compact that
13 arise among member states and between member and nonmember
14 states.

15 J. The commission shall promulgate a rule providing
16 for both mediation and binding dispute resolution for disputes
17 as appropriate.

18 K. The commission, in the reasonable exercise of
19 its discretion, shall enforce the provisions and rules of the
20 compact.

21 L. By majority vote, the commission may initiate
22 legal action in the United States district court for the
23 District of Columbia or the federal district where the
24 commission has its principal offices against a member state in
25 default to enforce compliance with the provisions of the

1 compact and its promulgated rules and bylaws. The relief
2 sought may include both injunctive relief and damages. In the
3 event judicial enforcement is necessary, the prevailing member
4 shall be awarded all costs of such litigation, including
5 reasonable attorney fees.

6 M. The remedies provided in the compact shall not
7 be the exclusive remedies of the commission. The commission
8 may pursue any other remedies available under federal or state
9 law.

10 SECTION 14. [NEW MATERIAL] DATE OF IMPLEMENTATION OF THE
11 OCCUPATIONAL THERAPY LICENSURE INTERSTATE COMPACT AND
12 ASSOCIATED RULES, WITHDRAWAL AND AMENDMENT.--

13 A. The compact shall come into effect on the date
14 on which the compact statute is enacted into law in the tenth
15 member state. The provisions, which become effective at that
16 time, shall be limited to the powers granted to the commission
17 relating to assembly and the promulgation of rules.

18 Thereafter, the commission shall meet and exercise rulemaking
19 powers necessary to the implementation and administration of
20 the compact.

21 B. Any state that joins the compact subsequent to
22 the commission's initial adoption of the rules shall be subject
23 to the rules as they exist on the date on which the compact
24 becomes law in that state. Any rule that has been previously
25 adopted by the commission shall have the full force and effect

.230893.2

1 of law on the day the compact becomes law in that state.

2 C. Any member state may withdraw from the compact
3 by enacting a statute repealing the same.

4 D. A member state's withdrawal shall not take
5 effect until six months after enactment of the repealing
6 statute.

7 E. Withdrawal shall not affect the continuing
8 requirement of the withdrawing state's occupational therapy
9 licensing board to comply with the investigative and adverse
10 action reporting requirements of the compact prior to the
11 effective date of withdrawal.

12 F. Nothing contained in the compact shall be
13 construed to invalidate or prevent any occupational therapy
14 licensure agreement or other cooperative arrangement between a
15 member state and a nonmember state that does not conflict with
16 the provisions of the compact.

17 G. The compact may be amended by the member states.
18 No amendment to the compact shall become effective and binding
19 upon any member state until it is enacted into the laws of all
20 member states.

21 SECTION 15. [NEW MATERIAL] CONSTRUCTION AND
22 SEVERABILITY.--The compact shall be liberally construed so as
23 to effectuate the purposes of the compact. The provisions of
24 the compact shall be severable and if any phrase, clause,
25 sentence or provision of the compact is declared to be contrary

.230893.2

1 to the constitution of any member state or of the United States
2 or the applicability thereof to any government, agency, person
3 or circumstance is held invalid, the validity of the remainder
4 of the compact and the applicability thereof to any government,
5 agency, person or circumstance shall not be affected thereby.
6 If the compact shall be held contrary to the constitution of
7 any member state, the compact shall remain in full force and
8 effect as to the remaining member states and in full force and
9 effect as to the member state affected as to all severable
10 matters.

11 SECTION 16. [NEW MATERIAL] BINDING EFFECT OF COMPACT AND
12 OTHER LAWS.--

13 A. A licensee providing occupational therapy in a
14 remote state under the compact privilege shall function within
15 the laws and regulations of the remote state.

16 B. Nothing in the compact prevents the enforcement
17 of any other law of a member state that is not inconsistent
18 with the compact.

19 C. Any laws in a member state in conflict with the
20 compact are superseded to the extent of the conflict.

21 D. Any lawful actions of the commission, including
22 all rules and bylaws promulgated by the commission, are binding
23 upon the member states.

24 E. All agreements between the commission and the
25 member states are binding in accordance with their terms.

.230893.2

1 F. In the event any provision of the compact
2 exceeds the constitutional limits imposed on the legislature of
3 any member state, the provision shall be ineffective to the
4 extent of the conflict with the constitutional provision in
5 question in that member state.

6 SECTION 17. Section 61-12A-9 NMSA 1978 (being Laws 1996,
7 Chapter 55, Section 9, as amended) is amended to read:

8 "61-12A-9. BOARD--POWERS AND DUTIES.--

14 eligibility for initial licensure, to submit a full set of
15 fingerprints to the department of public safety to obtain state
