4 either the barrel or the chamber to directly strike or impinge  
5 the bolt, bolt carrier or slide assembly to unlock and cycle

7 firearm dealer shall include that:

8 (1) there are two copies of the certification  
9 form: one to be maintained in the normal course of business by  
10 the licensed firearm dealer in the same manner as acquisition  
11 and disposition records under 27 CFR Section 478.125; the other  
12 to be maintained by the owner of the gas-operated semiautomatic

19 (3) the owner of the gas-operated  
20 semiautomatic firearm shall have the owner's copy of the form  
21 notarized within two business days of the licensed firearm  
22 dealer completing its portion of the form and before January 1,  
23 2026;

24 (4) the owner of the gas-operated  
25 semiautomatic firearm shall carry the owner's copy of the

.231722.1

1 certification form on the owner's person at all times while  
2 possessing a gas-operated semiautomatic firearm outside private  
3 property owned or immediately controlled by the person. The  
4 owner of the gas-operated firearm shall show the form to any  
5 law enforcement officer upon an officer's request; and

6 (5) licensed firearm dealers shall make  
7 certification forms available to law enforcement for inspection  
8 upon request. Any licensed firearm dealer in the state that

10 licensed firearm dealer's possession to the attorney general.

11 C. The certification shall include:

12 (1) an affirmation that the person possessed  
13 the semiautomatic firearm pursuant to Sections 3 and 8 of the

8 false information on this form is punishable as perjury  
9 pursuant to Section 30-25-1 NMSA 1978.". In any  
10 administrative, civil or criminal proceeding in the state, a  
11 completed certification submitted to the attorney general or a  
12 licensed firearm dealer by a person pursuant to this section  
13 creates a rebuttable presumption that the person is entitled to  
14 possess and transport the gas-operated semiautomatic firearm."
