4 reversion of a specific education freedom account for  
5 extenuating circumstances.

6 I. Nothing in the Education Freedom Account Act  
7 shall be construed to require a participating student to be  
8 enrolled only in a private school, but the participating  
9 student must be in compliance with the Attendance for Success  
10 Act."

23 available and may be submitted through various sources,  
24 including the internet.

5 education freedom accounts that have been open for at least one  
6 full school year, the department may allow an education freedom  
7 account to remain open and active for the parent to pay  
8 qualifying educational expenses to educate the student from  
9 money remaining in the account. The department shall revert  
10 unexpended or unencumbered balances in a student's education  
11 freedom account and close the education freedom account at the  
12 beginning of the next school year if the student is enrolled in  
13 a public school.

14 G. If an eligible student decides to return to the  
15 program, payments into the student's education freedom account  
16 may resume if the education freedom account is still open and  
17 active. A new education freedom account may be established if  
18 the student's education freedom account is closed.

19 H. The department may adopt rules to provide the  
20 least disruptive process for a student who chooses to stop
